

# SUMMER INTENSIVES AT BETHLEHEM PEDIATRIC THERAPY SERVICES

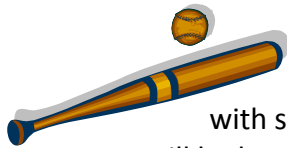

**Sensory Integration:** This is an intensive approach to the treatment of Sensory Integration issues, and will include individual clinic treatment and home or community visits as necessary. It is geared towards children aged 2-10. Treatment will take place 3 days/week for 4 weeks.

**Changing Gears:** This is a small group program designed for children aged 4-12, aimed at developing their ability to understand and regulate their sensory systems in a social context. It will take place 2 days/week.

**Pencil Pals:** This is a small group program designed to help develop motor skills for writing, and will be tailored for the ages and abilities of the group members. It will take place 2 or 3 days/week.

**Playmates:** This is a small group program designed to help children develop coordination, social skills and motor planning, grouped by age level. It will take place 2 or 3 days/week.

**Summersports:** This is a small group program to teach beginning sports skills to children 4-10 years old. It will take place 2 days/week, with specific content determined by age and ability of group members. This group will be lead by a therapist and youth coach.

All groups will include an initial screening to determine skill level, development of individual goals and weekly suggestions for carryover at home.

## Programs will be offered in two sessions\*

Session 1: July 6<sup>th</sup> - July 30<sup>th</sup>

Session 2: August 2<sup>nd</sup> - August 27<sup>th</sup>

\*A June session may be added depending on enrollment.

*Services may be billable through insurance; some insurance companies will not pay for group treatment. We are in-network providers for Highmark Blue Shield, Capital Blue Cross and out of state Blue Cross/Blue Shield plans. We will assist you in billing most out-of-network plans.*

Please call us for more information regarding rates, availability and payment plans.
